Dear Sir/Madam,

I am writing to thank you for the kind donation of £315.29 to Oakhaven Hospice given in respect of matched giving for funds raised by the staff at your Lymington office.

The generosity of our supporters and well wishers enables us to provide our specialist care to patients in the local community whose illness is no longer curable. Our services are focused around individual needs, including in-patient and out-patient care, a day hospice and bereavement support. We aim to promote the highest quality of life possible and strive to ensure that the needs of patients, their families and carers remain at the heart of our work.

Thank you once again for your valued support.

Yours sincerely,

**Peter Smith**  
Fundraising Co-ordinator
