Dear Mr Palmer

Thank you for your letter of 13th February. I apologise for the delay in responding.

On behalf of the patients, their families and carers who benefit from our services, I would like to thank you and the Trustees of the Towergate Charitable Foundation for the funds raised in 2008 by your staff of £296.00, which includes matched payments.

At the Norfolk Hospice, Tapping House, we help patients and families to manage different aspects of life when coping with the demands of a life-limiting illness.

Making life special, for whatever time is left, is at the heart of our work. The Hospice offers this vital service free of charge across rural Norfolk and the Fens and it simply would not be there without the support we receive. It takes in excess of £1 million each year to run the Hospice and over 85% of our costs are paid for by the generosity of individuals, organisations and community groups.

Once again, thank you for your donation and continued support – it really does mean a great deal to us.

Yours sincerely

Ms Janet H. Doyle
