Dear Julian,

On behalf of Disability Sport Events I would like to thank you for your generous gift of £100.00. Your commitment in helping Disability Sport Events is sincerely appreciated. I received the cheque this Morning and we are all very grateful. It certainly cheered up a Friday Morning!

Disability Sport Events (DSE) develops, supports and encourages disabled people to participate in sport. We do not receive any Government funding. As a charity, we rely on fundraising and sponsorship for our programmes to exist.

DSE organises regional, national and international championships in a variety of sports. We are the only sports events organisation in the country for disabled people with all impairments and have a world renowned profile system to allow fair competition. DSE is a division of the English Federation of Disability Sport.

Our events provide pathways to international success. From grassroots events such as our Mini Games for 6-12 year olds to elite competition, our programmes are available to guide talented disabled sports people on to greater success such as the Paralympics.

If you would like to talk further about our work, please feel free to contact me or log on to our website www.disabilitysport.org.uk

Best wishes,
