Dear Mr Cullum

Please accept our sincere thanks for the donation of £58.19, which matched the funds raised by the Towergate branch we are partnered with in Newton Abbot, South Devon.

The partnership with Towergate is very valuable to us and although the team we are partnered with are fairly small in comparison they are incredibly committed to the cause and I look forward to supporting their fundraising efforts further.

Thank you for match funding their donations and showing such supporting and dedication to the hospice movement. Rowcroft Hospice continues to rely on the efforts of companies such as you to continue providing it's vital services. Your contribution is greatly valued.

Many thanks again for your continued support.

With warmest wishes,

Laura Carus
