Dear Mr Cullum

Please accept my sincere thanks for the recent donation of £165.30 raised by staff fundraising and then matched by Towergate Charitable Foundation. Your support is very much appreciated. I have written separately to Mr Ken Whittle at your Edinburgh branch to thank his staff. This donation will be carefully used to support the children and families who rely on our hospice services, and will allow us to offer care, support and practical help when it is needed most.

Over the months of autumn the children and families at **CHAS** have lots of fun packed activities to look forward to. Hallowe'en at our hospices will last for a whole week of ghoulish celebrations. These will include trick-or-treating, dooking for apples and fancy dress. Even the families, staff and volunteers will be dressing up to frighten and thrill!

With December fast approaching there are lots of festive activities being planned too. The teenagers at Rachel House have a Christmas Party to look forward to in a Glasgow hotel, while the younger children will enjoy a trip to Santa's barge cruise at Ratho. Robin House also has plenty of festive frolics planned, with trips to the pantomime, a party and ice-skating. The **CHAS** at Home Team in Inverness are busy planning their Christmas Ceilidh for their families, and the children will be attending a Christmas party at the Filling Station (including presents from Santa of course – we keep him very busy here at **CHAS**!).

The ongoing bereavement support for our families continues with lots of activities including the staff and bereaved siblings, who recently visited Wiston Lodge, meeting up again to remember their weekend together and to share their experiences.

Without your continued support our vital work simply would not be possible – thank you.

Very best wishes
