Dear Mr Palmer

I am writing to thank you for your Trust's kind donation of £250.00 towards our wheelchair training courses. Your support is greatly appreciated.

In 2008 our courses helped over 400 young wheelchair-users, and their families, and were attended by 1,774 people in all. So far in 2009 we plan to further increase the number of courses that we run to enable even more wheelchair-using young people to manage their own lives independently and significantly improve their long term prospects.

I thank you again and also apologise for the lateness of our acknowledgement of your donation. Unfortunately we experienced some technical problems which affected our computer systems at the start of the new year.

Yours sincerely

Amanda Beevis
