*Dear Paul,*

On behalf of all the Chelsea Pensioners may I thank you, the other trustees of the Towergate Charitable Foundation, and the staff of Towergate Wilson for your continuing support and generosity to the Chelsea Pensioners' Appeal, marked on this occasion by your cheque for £1212.58. We really are most grateful.

Your donation, along with others we receive, goes towards the much needed programme to bring the accommodation in which the Chelsea Pensioners live to a standard that is fit for purpose in the 21<sup>st</sup> Century. To date we have completed and occupied a new Infirmary (care home) with 125 beds, and next month will see the completion and opening of the first phase of the Long Ward modernisation programme. This will deliver another 34 high quality 'berths' with en-suite facilities. I am very pleased also to report that both these projects will have been completed on time and to budget, which I hope will give you an assurance that your money is being wisely spent.

Thank you again for your support. On a separate note, I should just add that we have been very pleased with the support we have received from Towergate Wilson, and the relationship we have developed with the company.

*Yours sincerely,*

*John*
