St Joseph's Hospital in Uganda Appeal

Dear Julian and Paul

I am writing on behalf of the Rotary Club of Romsey Test to express our sincere gratitude for the very kind donation made by the Towergate Charitable Foundation towards the above project.

The current initiative is to raise funds to redevelop the hospital's kitchen facilities, work which we anticipate will be completed during 2009. One of our members, Dr Martin Radford, will be visiting the hospital again next year to work on a voluntary basis for a month or so and he will be overseeing the use of funds that we are using to support this very much needed project. In this way you can be assured that your donation will be well managed.

Thank you again on behalf of our club and St Joseph's Hospital.

With grateful thanks.

Yours sincerely,

A handwritten signature in black ink that reads "Sandy Dunn".
