Dear Mr Palmer,

On behalf of everyone at Sue Ryder Care – Nettlebed Hospice, I wanted to thank you and everyone at Towergate for your continued support of Sue Ryder Care - Nettlebed Hospice.

As you know, we are only part funded and never charge for the care we provide. We, therefore, rely on generous donations and voluntary contributions from our region to help keep the Hospice open; providing the expert care our patients and their families deserve.

We cannot continue to provide our specialist care without this support and really appreciate donations from businesses such as yours.

Please send all our thanks from the Nettlebed team to everyone at Towergate. We are truly grateful for your continued support.

Once again a very huge thank you to you all.

With sincerest best wishes

GERALDINE HARMON
