Dear Julian,

I am writing to congratulate you on your fantastic achievement of climbing Mount Snowdon. I'd like to thank you and everyone involved, for your incredible effort and for raising an excellent amount of money for Acorns Hospice.

As you know, hospices rely heavily on the support of their community so it is fantastic that a team from Towergate got together to tackle Mount Snowdon. It is also fantastic that you personally got involved – it can be really motivating for colleagues when the person who runs the charity scheme takes a break from encouraging everyone else and gets stuck in themselves!

Please accept our warmest thanks once again for all your efforts.

Best wishes,

David Burland
