Dear Ricky,

On behalf of the staff, patients and parents of Great Ormond Street Hospital, thank you so much for all the fantastic fundraising you have been doing for the charity.

Creating the scribble pads was a great idea and subsequently a fantastic success raising £2025! In addition to raising vital funds, this activity has helped raise awareness of the relationship between Towergate and the Charities to over 2000 companies, something which is hugely important for the partnership.

I have also heard from Julian about how you used your fantastic relationship development skills to approach local companies for prizes which you then auctioned off to colleagues. I appreciate how difficult it can be asking for gifts in kind, especially in the current climate, and we're so grateful to you for making these asks and raising an extra £355.

Once again, thank you so much for all the time you have put in to raising money for Great Ormond Street Hospital, it really is very much appreciated.

With very best wishes,

Sophie Powell
Account Manager, Corporate Partnerships
