Dear Julian

Many thanks for your letter and the very generous donation. I have looked at the site you recommended and you are correct – it appears to be brilliant work and just the kind of research that should be fully supported. Quite humbling actually.

I will be writing separately to Peter and Andy but please accept my thanks – and the thanks of Susie and Beth – for this kind support.

Many thanks and best wishes for the work you and your Foundation carry out on behalf of essential research.

Kind regards

Yours sincerely

pp
