6th January 2011

Dear Mr Palmer,

Thank you for you for sending us a replacement cheque of £22.22 which will help to make a difference to the lives of our current and future Chelsea Pensioners and adds to many other generous donations you have given.

Our duty today is to ensure that this institution which has been home to the Chelsea Pensioners for over three centuries, will continue into the next century and beyond.

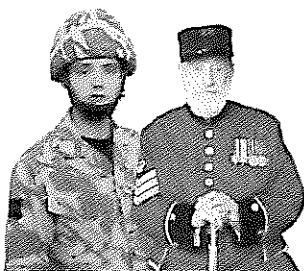

We have embarked on a major development programme to make the Royal Hospital fit for purpose. Already through our supporters gifts we have managed to build and occupy The Margaret Thatcher Infirmary, which was built on time and to budget. The next step is to modernise the historic Long wards on which the majority of Chelsea Pensioners live in conditions that Wren would recognise if he were to return today.

Beyond that we are determined to establish an endowment to guarantee the long term survival of this important and much loved institution.

If you are in the area please do visit the Royal Hospital Chelsea to see your gift at work.

We are extremely grateful to you for your valued support.

*Yours sincerely
David Hellens.*
