2 September 2008

Dear Mr Callum

Thank you for your letter dated 7th August, which accompanied the cheque presented to us by Towergate Charitable Foundation. This matching of the amount raised by the local Towergate Partnership office is greatly appreciated, as indeed was the initial fund raising. Aimee Ward, who leads for St Luke's on Corporate and Events Fundraising, has already sent a formal letter of thanks to Alison Fletcher, but I wanted to record my own thanks to you and the other trustees following the Foundation's generosity.

You are all very well aware, I know, after twenty years of involvement with the Hospice movement, of how vital charitable donations are to our work. Without them we would be unable to offer the very high level of service we provide at St Luke's. Your staff and customers in the local office have been generous with their support, and we also thank your company's Charitable Foundation for its commitment to supporting the Hospice movement at national and local level. The specific contribution to St Luke's is greatly appreciated, and on behalf of everyone connected with the hospice I thank you once again.

Kind regards,

Yours sincerely,

Steve Kirk SRN, RMN, RNMH, MBA
CHIEF EXECUTIVE

P.S. If you are ever in Sheffield
I would be delighted to show
you around
Thank you once again
