Dear Mr Cullum

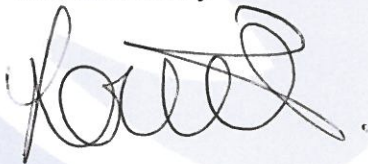

We have today had one of your members of staff, Zoran Novakovic up to our hospice to mark a milestone in the fundraising from your organisation. It was a great opportunity to be able to say Thank You to him for all the work they have put in to fundraising.

I would, however like to take this opportunity to also thank you for the wonderful matched funds you have sent to the Hospice. I know in your letter you explain that you donate to various charities and as one of the privileged recipients of your generosity I would like to say thank you.

Our hospice, although in relative terms small, makes a huge impact on the lives of people living in Calderdale and this would not be possible if it wasn't for the support of companies like yours.

On behalf of all at Overgate Hospice please accept our sincere thanks,

Yours Sincerely

Louise Danielczuk
