12<sup>th</sup> September 2008

Dear Peter,

I was delighted to learn of Towergate staff's tremendous challenge in undertaking Tandem Skydives from Headcorn Airfield.

Your donation will make a significant contribution to the patients, and their relatives in our care. At the request of Lindsay Prince, on behalf of staff, new televisions have already been bought for patients' rooms in the Inpatient Unit, which are currently being refurbished as part of our programme to upgrade facilities for patients in order to improve their environment.

Towergate's continued support to the Hospice through your Charitable Foundation and the personal endeavours and commitment of your staff is very much appreciated.

With very best wishes and grateful thanks for all that you continue to do for us.

Yours sincerely

  
Kate Bosley  
Chief Executive
