Dear Mr Cullum

We would like to thank you so much for matching the funds raised for Friends of the Beacon, by the staff of Yourinsurance Group, Guildford.

Your cheque is very much appreciated and will help us to continue supporting local families living with cancer and other progressive illnesses. We are keen that all our patients receive help from us free of charge, and we rely to a large extent on donations and funds raised by companies such as yours, to ensure that this remains the case.

Once again, our sincere thanks for your support.

Yours sincerely

**Julia Bridger**
