Dear Mr Cullum,

**Re: Donation from Towergate Charitable Foundation**

On behalf of Cornwall Hospice Care, I would like to thank the Towergate Charitable Foundation for the cheque for the sum of £323.55 which we have received to match the funds raised by the staff of your Newquay Office.

We are very grateful to everyone at Towergate for their support. At a time when we are facing a funding shortfall, we are ever more reliant on the efforts and voluntary income of people such as your staff to help continue funding our two hospices, both of which provide specialist care for people with a life threatening illness as well as support to their families and carers. Each year, Cornwall Hospice Care needs £5.3 million to do this. We are not part of the NHS and only receive 13% of our funding from them. Instead we are dependent on voluntary support for the vast majority of our income. Without this generosity, we would not be able to offer the range of services that we currently provide for people needing them.

So thank you all once more for your support.

Yours sincerely

Paul Brinsley  
Chief Executive
