Dear Mr. Cullum,

It was a great pleasure to meet with Andy White and his colleagues at Towergate's Sevenoaks office recently, and I was delighted to receive your cheque for £2,153.20 as a donation to support our work.

This contribution to our funding is greatly appreciated as we are one of the lowest Government funded adult hospices in the UK, receiving less than half of that enjoyed by the average hospice.

I have been pleased with the level of support that Towergate has provided for our Hospice's insurance matters, both in providing advice and keeping costs down.

Our Hospice provides a range of services to support people from west Kent and East Sussex coping with a life threatening condition, and each year, thanks to the marvellous support of our community, we have expanded our services. Last year over 1,800 people benefited from our services and following the recent completion of our Day Therapy Centre extension, we hope to increase this number significantly in future years.

It would be a great pleasure to show you around our Hospice when you have time available.

With kind regards

John Ashelford
