Dear Larry

It was a pleasure to meet you and your colleagues yesterday. You really do have a great team of people there - passionate, energetic and successful.

All of these qualities were clear to see with the marvellous contribution of the van and the quite fantastic presents you have all worked so hard to provide us with.

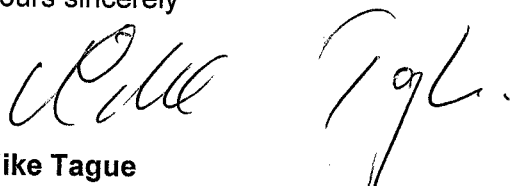

I saw Ann later in the day - she told me just how thrilled the nurses and carers were when they saw the van and all the presents.

Our mission at Acorns is simple - we try to make every day special for the children and families who come to us. We feel it is vital to help them make the most of every moment that they have, whilst creating a bank of happy memories to treasure in the future.

All of us at Acorns have been enthused by your efforts and the commitment Mr Cullum and Towergate has to the communities their employees and customers live and work in. In the New Year we will be working hard at Acorns to identify projects and services that could benefit from the fund you told us about.

With very best wishes,

Yours sincerely
