Dear Julian

Thank you and the Trustees for the very generous donation towards the work of Springboard for Children. It is always encouraging for us to receive such financial support and it is much appreciated.

Gifts from charitable Trusts like yours make a tremendous difference to the lives of the vulnerable young inner city children who attend our one to one literacy sessions. The ability to read and write is a valuable skill that not only benefits children in the short term, as they progress with their statutory education, but also has the potential to benefit them throughout their lives, particularly in broadening their employment opportunities. It is always a pleasure to see the enjoyment the children clearly gain from their Springboard teaching sessions and the sheer delight they experience when they realise they can read a new word.

Once again thank you for your interest in and support of Springboard For Children.

Yours Sincerely
