Dear Andy Westby and Deanne Weaver,

I did want to thank you both so very much as representatives of the organisations for all the charitable fundraising that you have done over these last few months with another very generous donation of £780* for Saint Francis Hospice. I received a letter from Stephen Ballantyne, Corporate Partnerships Manager, at Help the Hospices, enclosing the cheque and your names.

I will be forwarding the cheque and your contact details to Alistair Heron, our Trust/Corporate Manager, who I am sure will write a letter of his own, but in the meantime I also wanted to extend my very grateful thanks for the magnificent fundraising you have achieved and this kind donation to Saint Francis Hospice. We are enormously grateful.

Again many thanks for all your work.

With very kind regards.

Yours sincerely,

**Dr Corinna Midgley MBBS MRCP
Medical Director and
Consultant in Palliative Medicine**
