Dear Mr Palmer

Thank you for your donation

I write on behalf of all the parents, children and staff at the Bobath Centre to let you know how delighted we were to receive a donation of £175 from the Towergate Charitable Foundation, in response to our recent Best Start Appeal.

On average 300 children with cerebral palsy visit the Centre each year, where they receive treatment that is specially tailored to their individual needs. Combining physical, occupational and speech and language therapy, our therapists work to help each child they see to develop to their full potential in a friendly and relaxed atmosphere.

Your donation will help us to continue to provide these vital services, and will help give each child that visits us their best possible start in life.

Thank you.

Yours sincerely
