Dear Rod,

On behalf of all the Chelsea Pensioners may I thank Towergate Wilsons very much indeed for the cheque for £1210.72, representing your company's first charitable donation to the Royal Hospital. I am delighted we have established such close links between your company and the Royal Hospital Chelsea, and the relationship seems to be working very well. As you know, we are in the middle of a period of transformation, during which we are modernising the accommodation in which the Chelsea Pensioners live in conditions Wren would recognise were he to return today. This is an extremely expensive project, and we are very grateful for your support.

Good luck with the wedding - I
am very happy for you.

Yours ever,
Peter.
